Another example of McKenzie and community being one of the best stockraising sections of the South is evidenced by a sale Dr. Harris Collier, the well known physician and surgeon, made last week. He sold fifteen mules for \$1,950, or \$130 each. This sale was at a handsome profit, as the cost of keeping the mules was very little, and they did considerable work last summer and fall. If you want to raise mules, and there is good money in stock raising in this community, we repeat McKenzie is the best mule market in the South.-McKenzie Banner.

One of the finest and largest mules ever brought to and sold in this market, is the one hitched to and pulling Donaldson & Holtsonger's coal wagon. I'd sing you a song about childhood, life's joyous and garlanded time; but I'm weary of ringing in "wildwood," and there's no other word that will rhyme. I'd warble of bright sunny fountains, where water and music are blent; but I'd have to lug in a few mountains or my lines wouldn't fit worth a cent. I'd sing of a life on the billows, where the dolphins and flying fish race, but I'd have to say someulator. If you're blue and out of sorts, get a bottle today.
